Print onto round labels; our design is positioned to work with 3-1/3"-diameter adhesive labels (same size as Avery 5195 or 5295), with 6 labels per sheet; they fit nicely atop 3-3/8" round acetate boxes, making a simple, easy-to-assemble package.

We used:

3-1/3" round labels (#333333-20), \$4.97 for 20 sheets (6 labels per sheet), Data-Labels.com.
