

*I love you today, yesterday, and every tomorrow ...*

*Relax ... and when you're ready, dinner is waiting.*

*Love me and the world is mine.*

*Will you be my valentine?*

*There's a bottle of champagne chilling ... come and join me.*

*The most beautiful view is the one I share with you.*

*Wish I were there with you.*

*Feeling fizzy? Let's get busy!*

*Every day I bathe in your beauty.*
