

Fold-a-Bat

Like all of the bats from *Bats at the Library*, this fuzzy critter is batty for books!

Cut out him out, and write the title of *your* favorite story on the *outside* of his book. Fold the bat's wings forward on the dotted lines. Fold book in the middle. Now join the A's together, and tape. Hang him upside down or right-side up.

It's story time for bats!
