

## Seasonal Cleaning Checklist

| Bedrooms:    |  |  |
|--------------|--|--|
|              | Launder pillows.                                 |  |
|              | Turn mattresses.                                 |  |
|              | Vacuum mattresses, box springs, and bed frames.  |  |
| Kitchen:     |  |  |
|              | Clean hanging pot rack and polish copper.        |  |
|              | Clean ovens.                                     |  |
|              | Organize pantry, discarding expired food.        |  |
|              | Replace baking soda in refrigerator and freezer. |  |
|              | Remove contents of cabinets and clean interiors. |  |
|              | Wipe kitchen ceiling.                            |  |
|              | Wipe the inside of the refrigerator.             |  |
| Library:     |  |  |
|              | Rotate stacked books to prevent warping.         |  |
| Living Room: |  |  |
|              | Clean leather furniture.                         |  |
|              | Sweep out fireplace.                             |  |

| Throughout the House:         |  |  |  |
|-------------------------------|--|--|--|
| Wipe baseboards and moldings. |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
|                               |  |  |  |
