1. Start with a cookie shaped like a bunny hatching out of an egg.

2. Draw border of icing just inside edge of cookie, tracing edge of bunny only. Fill inside the border with the same color icing, spreading with an offset spatula and shaking to smooth it out. While wet, sprinkle with sanding sugar and place a round candy for the eye.

3. Draw border of icing just inside edge of cookie, tracing edge of egg only. Fill inside the border with the same color icing, spreading with an offset spatula and shaking to smooth it out. While wet, place jelly beans or other candy.
