

Clip Art: "Good Things": Locker Labels

from *Martha Stewart Living* | www.marthastewart.com

Print on sticker paper, and cut out, or use a sheet of 2-inch-round labels. On the stickers in the bottom row, handwrite your child's name in the blank space under the hat and mitten. If you're using Acrobat, type your child's name in the blank text field under the hat and mitten on the stickers, and then print the labels.
