

Blueprint

ULTRASUEDE IPOD COVER

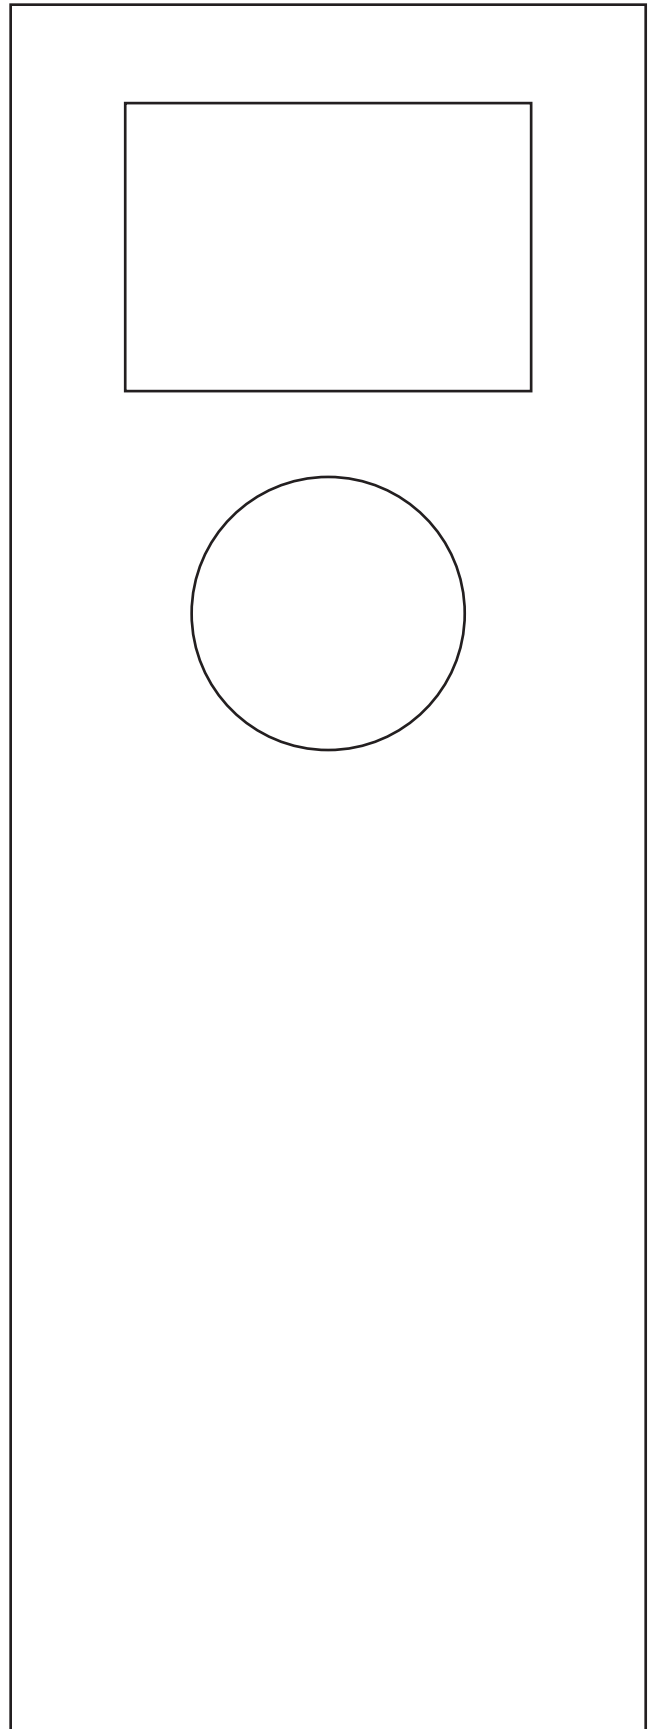

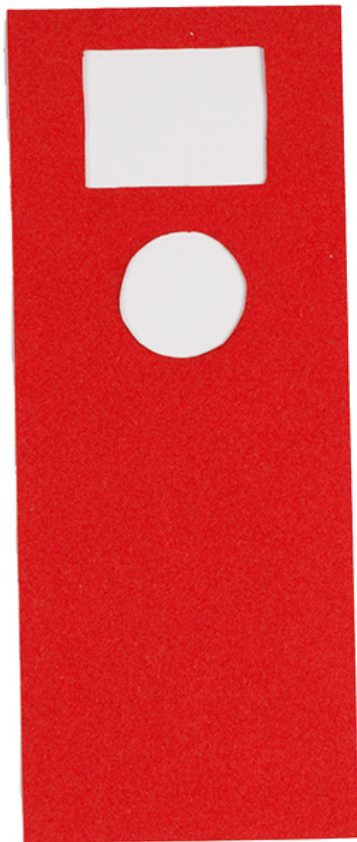

TEMPLATE

SUPPLIES:

9-by-3 5/8-inch piece of fabric
Mini scissors
Marking pen
Sewing machine or needle and thread

INSTRUCTIONS:

1. Cut out rectangle and circle. Use the pattern on the next page for the Nano model.
2. Pin onto the fabric, and trace openings with the marking pen (to get a perfectly smooth circle, trace a spool of thread); cut out.
3. Fold fabric in half end to end, pin and sew, using a 1/4-inch seam allowance.
