living

body+soul

whole living awards entry form

overview

Body + Soul's first ever Whole Living Awards will honor the people, projects, places, companies, causes, and organizations taking innovative steps to better our world. Our goal is to recognize those who set the bar high and inspire others to follow.

deadline

July 22, 2009

what to submit

A complete description (see below) of why you think this nominee deserves recognition as well as all the details relevant to the person, cause, project, product, place, or organization. Websites, photos, and bios are all welcome.
