

# Clip Art: "Fine Specimens" Party Invitation

from *Martha Stewart Living* | [www.marthastewart.com](http://www.marthastewart.com)

## How-to:

1. Print onto card stock.
2. Score and fold where indicated.
3. Using a craft knife and a straightedge on a cutting mat, cut out invitation.
4. Using spray adhesive or double-sided tape, adhere blank sides together, so right sides are showing. (The final invitation will be a 2-sided card.)

## Clip Art: "Fine Specimens" Sea-Life Print

from *Martha Stewart Living* | [www.marthastewart.com](http://www.marthastewart.com)

This poster is meant to be 24 by 36 inches, to fit the bone frame in "Fine Specimens" (*Martha Stewart Living*, October 2010). Take the file to a copy center to have it printed on a single sheet of paper.
